MISSION

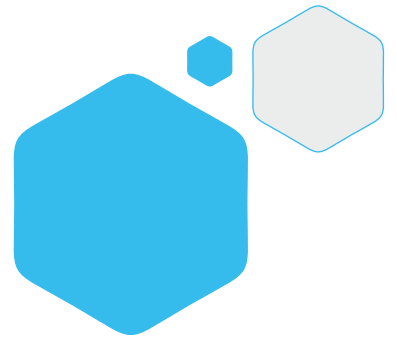

Our mission is to provide a platform for South Asian business owners and entrepreneurs to connect, collaborate, and grow their businesses while supporting our communities' economic and social development.

Through networking, advocacy, and education, we seek to empower South Asian businesses and entrepreneurs to achieve success and make a positive impact on the world

MOTTO

Building connections,
fostering success

GOALS

1

- To provide a supportive and collaborative environment for South Asian business owners and entrepreneurs to connect, share ideas, and grow their businesses.

2

- To promote and support the success of South Asian businesses and entrepreneurs, and to increase their visibility in the broader business community.

3

- To foster relationships and partnerships between South Asian businesses, and to facilitate the exchange of knowledge, expertise, and resources.

4

- To advocate for the interests and needs of South Asian businesses and entrepreneurs, and to support policies and initiatives that foster their growth and success.

5

- To provide educational and professional development opportunities for South Asian business owners and entrepreneurs, including workshops, seminars, and networking events.

MEMBER SERVICE

Networking events and workshops

- SABA can provide regular opportunities for members to connect with each other and learn from experts in a variety of fields. These events can include networking mixers, educational workshops, and panel discussions.

Mentorship programs

- SABA can offer members the opportunity to work with experienced business leaders who can provide guidance and support as they grow their businesses.
- These programs can be tailored to the individual needs of each member and can include one-on-one mentorship, group mentoring, and other formats.

Access to funding and resources

- SABA can partner with local organizations and businesses to provide members with access to funding, resources, and other opportunities that can help them grow and succeed.
- These partnerships can take the form of sponsorships, grants, and other arrangements.

Online platform

- SABA can provide members with access to a members-only online platform, where they can connect with each other, share resources, and stay up to date on the latest news and events.
- This platform can include forums, directories, and other features to support collaboration and connection among members.

Advocacy

- SABA can advocate on behalf of its members at the local, state, and national levels.
- This can include working with policymakers to support legislation that benefits South Asian businesses, representing the interests of its members to government agencies, and providing resources to help members navigate the regulatory environment.

MEET THE TEAM

Building connections, fostering success

It is with profound respect and gratitude that we acknowledge the cornerstone of our organization – our founding members. These visionary minds, bursting with innovative ideas and unyielding determination, shaped the foundation upon which our entity thrives today

TONY SINGH

NANDA TIWARI

Success, as we see it, is not just about individual achievement. It's about making a positive impact on the world around us. We envision a future where South Asian businesses not only flourish but also lead the way in creating a more sustainable and inclusive global economy. That's the vision that guides our work at SABA, and together, we believe we can make it a reality.

THANK YOU!

Thank you for considering the South Asian Business Association (SABA) as a partner in your business endeavors. We are committed to providing our members with the resources and support they need to grow and succeed, and we would be honored to have you join our organization.
